

WOODY NOOK  
WINES

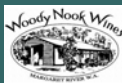

WOODY NOOK  
**CHENIN  
BLANC**  
2004

This Chenin Blanc has just a hint of sweetness. There are tropical fruits on the palate with a honeyed smoothness and a refreshing, dry finish. Enjoy by itself or as an ideal accompaniment to food, especially spicy dishes.

*... Neil Gallagher,  
Winemaker,*

Just 548 cases of Chenin Blanc were produced by Woody Nook in 2004, typical of their small quantity but high quality wines. This varietal has taken out 'best in class' honors for the past **five** years (2001-5) at the Royal Perth Wine Show, the major annual wine competition in Western Australia.
